

# In-person Info Session

San Francisco  
Department of Public Health

## Health Workers

Health Workers are trusted members of our healthcare teams who help bridge the gap between various communities and resources by advocating, educating, and connecting others to improve health outcomes.

San Francisco Department of Public Health (SFPDH) is hiring Health Workers for diverse roles across our systems of care, ranging from Street Health to Acute Care!

Join us to meet with hiring managers on Tuesday, May 6, from 10 AM-12 PM at the SF Main Library. Learn about our integrated approach to serving our community.

Register for the session:
