* Please contact Dr. Lianne Urada (lurada@sdsu.edu) if you have questions about SW classes. Contact Dr. Baek (jbaek@sdsu.edu) for advising about PH classes

Duals complete a thesis as their culminating experience, and have a 3-semester sequence starting in Yr 2. The first 797 course in 2nd yr spring alternates between PH and SW. The heavier course load in 1st semester Fall allows for more internship and thesis time in Yrs 2 and 3.

Duals typically complete a social work internship/field placement

Duals are welcome to also complete a PH HMP field placement (not required)
Duals are encouraged to participate in all HMP Professional Development Events (PH 700E courses in the first year; not required)
